## SmarTrack Fleet

Smartrack Fleet offers the latest in Fleet Management giving you chance to monitor your vehicles. This product allows you to track your own vehicle with all the added features below.

### The website benefits from:

**Multi Geo-Fence** - Smartrack Fleet offers an unlimited geo-fence option. The system allows you to create virtual perimeter(s) around locations. These geo-fences can be named/labeled to allow identification.

**Reports** - The site offers detailed reports gives you a variety of information: overspeed warnings and unlimited journey reports.

**Multiple Logins** - Multiple logins allows selectable access to vehicles using different email addresses.

**Street Mapping** - Street view level mapping via googlemaps.

**Speed Warnings** - Set your own ideal speed limit - if the vehicle travels over that speed then you will receive an email telling you.

**Icons** - Variety of vehicle icons for you to choose from.

### Subscription Pricing

Annual Subscription £84+VAT

## Trident Fleet

Offering everything Smartrack Fleet does with the added benefit of Stolen Vehicle cover.

**Monitoring** - Global Telemetrics can monitor your vehicle's status for you 24 hours a day/365 days of the year! A member of the Secure Control Centre will call you if your vehicle is illegally moved (without the vehicle ignition being used) and if the battery is removed from the vehicle. If your vehicle battery was running low we will contact you requesting to charge.

### Subscription Pricing

Annual Subscription (with full monitoring) £157.50+VAT
